Sex Male | Date of birth 01/01/1958 | Nationality Moroccan

POSITION

**Professor at the FST-Tangier, Dean of the FP-Larache
September 2009 - July 2017**

WORK EXPERIENCE and
ACADEMIC RESPONSIBILITIES

2012 – 2017

Abdelmalek Essaadi University - Polydisciplinary Faculty of Larache (FPL)

Dean of the Polydisciplinary Faculty of Larache (FPL), second term

- Moroccan Erasmus Plus Project Manager "SCOLAMAR : Innovative Training for Smart Coastal Management and Sustainable Growth Blue: 573512-EPP-1-12016-EN-EPPKA2-CBHE-JP"
- Moroccan side CEIMAR project Head (Excellence pole grouping 7 countries and the university UAE in Morocco;
- Member of the Scientific Committee charged of the revision of the document : Marine knowledge 2020:
<http://ec.europa.eu/yourvoice/ipm/forms/dispatch?invite=648551735260834512&UniqueAccessLink=518714040280834512>;
- Scientific and administrative manager of the aquaculture development project in the North of Morocco. PROJECT "AP-ES2012-23" FOR 2 YEARS (2012-2013).
- Administrative manager of the project "AP-ES2012-22": the establishment of "the studies and Vocational Training Center in Agro-Food Sciences (CEFPSA) at FP-Larache: 2012-2013
- Administrative officer and co-scientific officer of the European project 7th MEDINA Framework plan, located at the FP - Larache and regrouping 8 countries peri Mediterranean, contract N ° 282977 : 2011-2014
- Head of the CNRST-CNR (Italy) cooperation project. Contract N ° 99/2012
- Founding member of the polydisciplinary laboratory at the FP-Larache, accreditation in 2012 ;
- Member of the consortium of 2 research projects, one piloted by the University of Paris VI, and the other by the University of Barcelona ;
- Member of the Euro Mediterranean project MISTRALS :
http://mistrals.insu.cnrs.fr/spip/documents/colloque_2011_malte/presentations/ELMOUMNI_malte2011.pdf
- Expert at the French National Research Agency (ANR) for the preparation of the report on "Quelles recherches et quels partenariats pour la Méditerranée". Agropolis, 2010-2014 :
<http://www.agropolis.fr/actualites/2013-retour-seminaire-anr-transmed.php>
- Vice President of the Mediterranean and Black Sea Technological Maritime Platform : PTMB Mediterranean and Black Sea Platform for Marine and Marine Research Innovation and Training,
http://www.mit.gov.it/mit/mop_all.php?p_id=07491.

2009 – 2012 Abdelmalek Essaadi University - Polydisciplinary Faculty of Larache (FPL)

Dean of the Polydisciplinary Faculty of Larache (FPL)

- Coordinator of the International Tanger-Med Institute set up project led by TMSA;
- Charged by the supervisory ministry (Science Department) to coordinate Morocco-Spain and Morocco-Italy cooperation in marine science and technology;
- Chairman of the FPL Institution Board;
- Member of the Management Board, the Education Committee and the Research Committee of the UAE;
- Participating Member at the Risk Sciences Master in Sophia Antipolis;
- Member of the EUROMED Network for Pollution in the Mediterranean;
- Coordinator of the co-organized works between the UAE (FPL) and the Academy of Sciences of Rabat (8 and 10 Dec. 2009).
- Expert consultant to IRES (Royal Institute for Strategic Studies) and the World Bank for Climate Change;
- Participating in the Euromed and Mistrals meetings: Malta 2010 and 2011;
- Participating in the educational project financed by Morocco-Spain cooperation: Ibn Battouta project: PROGRAMA FORMACION E INFORMACION OF SENSIBILIDAD TURISTICA PARA THE TANGER-TETUAN REGION. 2010;
- Member of the organization of the Formative Day on the Environment (COOPTREMP) funded by the EU and the Andalusian Agency for External Promotion;
- In charge of the organization of the international meeting in Marine Sciences and Port Management;
- Coordinator of the IV Encounters of the Sea and environment Sciences: Applications and Socio-economic Impact, organized in collaboration with the University of Cadiz;
- Participant and speaker at the European Days: European Maritime Days (Rome 2009);
- Member of the Organizing Committee of the 1a JORNADA DE INTERCAMBIO SOBRE TURISMO SOSTENIBLE-UAE-UCA-AECID-AUE);
- Founding member of the Morocco-Spain network around the Atlantic Maritime Observatory (OMARAT) 2010;

2005 – 2008 Abdelmalek Essaadi University

- Morocco National Commissioner at the CIESM (www.ciesm.org);
- Associate Professor at the University of Perpignan and Aix en Provence (2005, 5 months).
- Head of a research team entitled "Oceanology, Environment and Natural Hazards" at FST-Tangier;
- Head of UFR;
- Director of the Regional Tourism Council (CRT) in Tangier -Morocco (June 2005 - April 2006);
- Deputy Dean in charge of the implementation of the Polydisciplinary Faculty (FP) of Larache;
- Commissioned by the Presidency of the University for the coordination of research projects UAE - Veolia Tangier (Amendis);
- Board member of the Doctoral Studies Center at the FST-Tangier;
- Member of the Pedagogical Committee of the UAE;
- Member of the Cultural Committee of the UAE;
- Participant and speaker at various meetings and symposium related to the Union for the Mediterranean project: UPM (Toulon in France in Nov. 2007, Portorose in Slovenia in June 2008 and Sicily, Italy in September 2008);

- Coordinator of the Morocco-Spain training course on the management of cross-border cooperation (ARRABT project), January _ September 2008;
- Coordinator of the ART - Gold Morocco program of the United Nations UNDP program;
- Member of the UAE commission in charge of setting up the UNIVERSITAS Laboratory of the ART - GOLD Morocco program (UNDP of the United Nations).

1999 – 2004 **Abdelmalek Essaadi University**

- National Coordinator of PNPL at the Ministry of the Environment;
- FST-Tangier development project implementation manager;
- Appointed expert by the Moroccan Ministry of Foreign Affairs to participate in sea work related to the future Tangier-Med port;
- Head of UFR (Training and Research Unit);
- FST of Tangier Scientific council member;
- Morocco National Commissioner at the CIESM (International Commission for the Scientific Exploration of the Mediterranean Sea: www.ciesm.org);
- Appointed coordinator by the supervising Ministry to coordinate Morocco-Spain and Morocco-Italy cooperation projects in marine science and technology;
- Designed Lecturer by the UNESCO and the EU (MICAM 2000 course), at the University of Nice (graduation on Integrated Management of Mediterranean Coastal Areas);
- Visiting Professor at the University of Perpignan in France (1 month in 2000);
- Visiting Professor at the National Conservatory of Arts and Crafts - CNAM/INTECHMER in Cherbourg in France (3 months in 2001);
- Member of the Commission for Integrated Management of Mediterranean Coastal Areas in the European Union. Antalya - Turkey on 14 and 15 June 2002;
- Member of the Monitoring Committee of the MASTER - Fisheries (Morocco - Spain and Portugal) OPAM,
- Head of several cooperation projects with France, Italy and Spain;
- Coordinator of the National Marine Science and Technology Network (REMER);
- Moroccan side Coordinator of the European program ADIOS (Atmospheric Deposition, key elements and nutrients on the Open Mediterranean Sea), http://cordis.europa.eu/project/rcn/54196_en.html

1995 – 1998 **Abdelmalek Essaadi University, FST of Tangier**

- Head of the Earth Sciences and Oceanology Department at the Faculty of Science and Technologies of Tangier;
- FST of Tangier Scientific committee member;
- FST of Tangier Scientific council member;
- University Abdelmalek Essaadi council member;
- Head of UFR (Oceanology and Climatology of the Coastal Zone on both sides of the Straits of Gibraltar Training and Research Unit);
- Head of GOEM Research Group (Oceanology and Marine Environment Group) at the FST-Tangier;
- "Teaching and Research" convention Coordinator, linking the UAE (FSTT) to the CNAM (INTECHMER) (France);
- Project manager at LOGITECH center in Glasgow, SCOTLAND;
- Moroccan side MASTER Project Coordinator (Mass Transfer and Eco System Response) coordinated by Professor André Monaco of the University of Perpignan - France.

1989 – 1994 **Moulay Ismail University - Meknes**

- Professor and Researcher at the FS-Meknes;
- Head of Sedimentology Laboratory at the FS-Meknes;
- Moroccan expert participating in five international oceanographic campaigns as part of the Africa-Europe stated linking project across the Strait of Gibraltar;
- Responsible for the execution of CNRST (Morocco) - CNRS (France) and CNRST-CSIC (Spain) projects;
- Responsible for the execution of a project on the Mediterranean marine environment by ACCT (Agency of Cultural and Technical Cooperation);
- Head of Integrated Action Project in Sea Science and Technology (Morocco-France).

EDUCATION AND TRAINING

2001 **UNESCO Diploma**

Val Rose Park University, Nice

- Expert in Integrated Management of Mediterranean Coastal Areas

1994 **State Doctorate in Oceanography**

University Moulay Ismail - Morocco

1987 **PhD in Oceanology**

University of Perpignan - France

1984 **DEA in Oceanology**

Paul Sabatier University of Toulouse - France

ADDITIONAL INFORMATION

Scientific research activities

- Author and co-author of publications and scientific papers in national and international indexed journals;... (listed below)
- Co-director of thesis in France, Spain and Italy
- Communications at national and international congresses, symposium, conferences and workshops (see list of refereed papers);
- Head of the Laboratory: Environment, Oceanology and Natural Resources at FST-Tangier 2005-2012;
- Supervision of 20 PHD in marine and environmental sciences and techniques in Morocco;

- Expert at the French National Research Agency (ANR);
- Member of the MedECC experts: Mediterranean Experts on Climate and Environmental Change
- Moderator in several congresses and conferences;
- President and jury member of more than 30 thesis (national and PHD) nationally and internationally;
- Author of several books chapters;
- Referee in national and international journals;
- Moroccan side manager of twenty projects in the framework of bilateral and multilateral cooperation (France, Spain, Italy, Portugal, Tunisia);
- Moroccan side manager of several European projects (MATER, ADIOS, MEDINA, ScolaMar);
- Head of the Training and Research Unit (UFR): Oceanology and climatology of the Moroccan coastal zone on both sides of the Strait of Gibraltar at the FST-Tangier 1999-2010;
- In charge of and member of several national and international conferences;
- Responsable et membre de comités d'organisations et comités scientifiques de plusieurs congrès nationaux et internationaux.
- President and member of organization and scientific committees of several national and international congresses.
- How to write a successful CV, New Associated Publishers, London, 2002.
- Example of project:
- Devon new public library. Principal architect in charge of design, production, bidding and construction supervision (2008-2012).

Qualification and expertise

- Proposed expert by SNED (National Society for the Study of the Strait), for the Africa-Europe fixed link project through the Straits of Gibraltar: 1988 -1990;
- Expert with the European Union for the integrated management of Mediterranean coastal zones (Antalya - Turkey, June 2002);
- Appointed Expert by the Moroccan Ministry of Foreign Affairs: sea mission by the French company FUGRO France (feasibility study of the new Port TangerMed, 2002);
- Appointed Expert by the Ministry of Foreign Affairs and Cooperation of the Moroccan Kingdom to participate in the floating University (UNESCO) Summer 2004
- Consultant for the MED-CORE European Project of the European Commission contract n ° ICA3-CT-2002-100003;
- Consultant for the marine sand deposits research in Morocco with the company Atlantic Dredging (2006-2007);
- Expert for the impact study with the company DRAPOR for the exploitation of marine sands in Larache area (2006);
- Participating Expert in the impact of climate change on the Mediterranean Sea: MEDCOP and COP22.
- Expert at UNESCO
